

2010 GREEN EGGS & SAND Workshop

Savannah Georgia

Where: University of Georgia Marine Education Center and Aquarium, Skidaway Island, Savannah, Georgia

When: Friday, April 30 (starting around 6 PM) through Sunday, May 2 (ending around 1 PM), 2010

Who to contact: Dodie Sanders (912) 598-2340; sandersd@uga.edu

Fee: \$80 per person

Logistics: Saturday (breakfast, lunch, dinner) and Sunday (breakfast and lunch) meals, education fees, lodging (if needed) on site (Fri./Sat.) and all workshop materials included

More about the workshop: The Green Eggs & Sand workshop, co-sponsored by Sapelo Island National Estuarine Research Reserve (SINERR), starts Friday evening, April 30 and ends around 1:00 PM on Sunday, May 2. Interspersed with expert presenters on horseshoe crabs (HSCs), shorebirds, biomedical use of HSCs, and HSC management, are sessions that explore the GE&S curriculum and provide demonstrations of the rich assortment of hands-on activities it offers. A site visit to view spawning horseshoe crabs is a special highlight of the weekend: including the opportunity to observe migratory shorebirds.

More about the lodging: Housing is provided by the Skidaway Institute of Oceanography and space is very limited! The housing consists of various apartments on campus with shared kitchens, common areas, bathrooms and bedrooms. Beds are twin-size and come with bed linens, blanket, pillow and bath linens. Please indicate if you require housing, along with any special dietary restrictions in the spaces below.

Other important information: Space for the workshop is limited and registrations are made first-come-first-serve. No-shows or cancellations made without at least 2 weeks prior-to-workshop notice result in forfeiture of registration fees. **Full attendance at all workshop sessions is required for receipt of the curriculum package.**

Registration for April 30 - May 2, 2010
GREEN EGGS & SAND Workshop
Skidaway Island, Savannah Georgia

Name _____ Title _____
School/Affiliation _____
Mailing address _____ City _____
